

Instructions for Posters

The 2003 Pierce's Disease Research Symposium will feature a comprehensive poster session for researchers to present the most important aspects of their research projects. Following is information pertaining to the poster session:

Poster Set-up

- Monday, Dec. 8, from 4:00 p.m. to 6:45 p.m.
- Tuesday, Dec. 9, from 8:00 a.m. to 9:15 a.m.
- Location: Salon A + B

Poster Session

- Tuesday, Dec. 9, from 3:45 p.m. to 6:15 p.m.
- Location: Salon A + B + C

Poster Take-down

- Immediately following the Poster Session

Format for Posters

- Posters should measure no larger than 44 inches by 44 inches.
- Posters should use fonts and graphics of sufficient size and clarity to be easily read from a distance of 4 feet.
- Excellent guidelines for preparing posters are available on various association websites. You may wish to visit the following:
 - Entomological Society of America:
 - http://www.entsoc.org/annual_meeting/2003/presenters.htm
 - American Phytopathological Society:
 - http://www.apsnet.org/meetings/2003/oral_poster_guidelines.htm#POSTER
 - http://www.apsnet.org/meetings/2003/Powerpoint_Posters.htm

Mounting

- Supplies for mounting posters onto poster boards will be available at the Symposium. We anticipate using some combination of tacks, sticky materials, staples, and/or tape.

If there are any questions, please feel free to contact Liz Houser at the Pierce's Disease Program at 916-322-2804.

Thank you, and we look forward to seeing you at the 2003 Pierce's Disease Research Symposium!
